Dear Students,

It is both an honor and a privilege to serve during the academic year 2025–2026. We look forward to yet another year of growth, excellence, and success at the AIRSC Academy of Safety and Disaster Management, a proud unit of the All India Rail Safety Council (AIRSC).

With immense pleasure, I extend a warm welcome to all our students, faculty members, and well-wishers. As we are all aware, the education system in our country is evolving rapidly. In this dynamic environment, the need of the hour is to produce skilled, competent, and responsible professionals who will contribute significantly to building a modern and safe India.

At AIRSC Academy, we are deeply committed to providing world-class training to aspiring Safety Engineers. Our students are trained across a wide range of disciplines including firefighting, industrial safety, disaster management, and advanced safety measures. The training is designed to meet the specific requirements of sectors such as Railways, Metro Rail Projects, High-Speed Rail Corridors, Oil & Gas, Infrastructure, and various Government and Industrial Sectors.

It is noteworthy that professionals trained in these specialized domains are highly sought after in the service and industrial sectors. To enhance employability, we actively collaborate with leading organizations and industries, enabling them to recruit talented candidates directly from our campus.

We assure all our students and aspirants that the learning experience at our academy will be student-centric, skill-based, and results-oriented, setting new benchmarks of excellence among institutions with similar vision and mission.

We wish each one of you a successful learning journey and a bright, prosperous career with AIRSC Academy of Safety and Disaster Management.

Dr, R. Padmanabhan
Chairman

ALL INDIA RAIL SAFETY COUNCIL

ISO 9001 : 2015, ISO: 45001:2018 CERTIFIED

VISION

To emerge as a nationally trusted and globally recognized leader in Safety, Security, and Disaster Management education—empowering professionals through technical excellence, ethical practices, and innovation-driven training. We aspire to build a culture of Zero Accident – Zero Harm – Total Safety across all sectors, especially in Railways, Metro, and Industrial environments.

MISSION

To impart industry-oriented education and practical training in Safety, Health, Environment, and Disaster Management. To develop skilled professionals equipped to meet national and international safety standards. To integrate academic knowledge with real-world industrial exposure through collaborative learning and hands-on field experience. To support national initiatives on railway and industrial safety through awareness, research, and innovation. To create a responsible safety culture in workplaces by fostering leadership, discipline, and ethical conduct among learners.

ABOUT US

The AIRSC Academy of Safety and Disaster Management, functioning under the All India Rail Safety Council (AIRSC), is India's premier institution dedicated to railway, metro, industrial safety, and disaster management education. Recognized for its academic excellence, professional training standards, and research orientation, the Academy serves as a center of excellence for developing skilled manpower capable of addressing modern safety and disaster challenges in the transport and industrial sectors. With a strong focus on Collaborative Industry-Based (CIB) Education Programs, the Academy partners with leading industries, educational institutions, and government bodies to provide students and professionals with cutting-edge learning experiences that blend theory with practical application. Our faculty includes eminent academicians, industry experts, and safety professionals, who bring years of field experience and technical expertise to the classroom. The Academy's curriculum is aligned with the latest national and international safety protocols, ISO standards, and statutory guidelines, ensuring global relevance and professional competency. The AIRSC Academy continues to uphold the mission of the All India Rail Safety Council (AIRSC) — to build a safer, sustainable, and skilled India through education, research, and innovation in safety management.

CORE VALUE

Integrity & Ethics: Upholding honesty, transparency, and accountability. **Excellence:** Commitment to quality education and continuous improvement. **Innovation:** Encouraging creativity in safety solutions and technology. **Collaboration:** Partnering with industry and academia for holistic learning. **Service to Nation:** Promoting "Safety First – Nation Always" as our guiding principle.

OUR MOTTO

"Empowering India's Human Capital for a Safer Tomorrow." Safety, Skill, and Sustainability through Education.

MEDHAVI
SKILLS UNIVERSITY

Skill • Empower • Liberate

**Invites you to join with us to
build A Promising Career in the
“WORLD OF SAFETY”**

All India Rail Safety Council will be the exclusive
Industry & Education Resource provider (IERP) in
India for running **MEDHAVI SKILLS
UNIVERSITY**'s Collaborative Industry Based
(CIB) Regular Education Programs.

ISO 9001 : 2015, ISO: 45001:2018 CERTIFIED

We inspire, inform and influence the global engineering and technology community to engineer a better world.

With multiple high speed rail and metro projects a high priority for economies in the India and around the world over the coming decades and an existing international infrastructure of railways under increasing pressure, high quality graduates are in high demand and a railway related degree opens access to a wealth of exciting international employment possibilities

We're committed to attracting and retaining the right talent, by providing an environment where our students can develop a fulfilling career. So, if you're motivated to make progress and ready to take the initiative, there are lots of opportunities to grow and go further with us. With regular discussions with your line manager you'll be able to build your own career roadmap, indicating your professional ambitions and interest in moving across our organization. You'll also have opportunities to develop your skills and knowledge through practical on-the-job training.

Medhavi
SKILLS UNIVERSITY

Skill • Empower • Liberate

Collaborative Industry-Based (CIB) Regular Education Programs in Association with All India Rail Safety Council (AIRSC)

In order to enhance the quality of higher education and maximize India's human resource potential through intellectual and practical learning, **Medhavi Skills University** is committed to promoting education that integrates industrial training, internship, and research. The objective is to create excellent employment opportunities for students and align academic learning with real-world industry experience.

To achieve this mission, **Medhavi Skills University (MSU)** has resolved to conduct Collaborative Industry-Based (CIB) Regular Education Programs with Industry and Education Resource support from the All India Rail Safety Council (AIRSC).

The All India Rail Safety Council (AIRSC) is authorized to assist in the formulation and implementation of Collaborative Industry-Based Internship Points (CIIPs) and to facilitate Internship, Training, and Research Work for students enrolled under the CIB Education Programs of **Medhavi Skills University**.

Furthermore, **All India Rail Safety Council (AIRSC)** shall serve as the exclusive Industry and Education Resource Provider (IERP) in India for conducting and supporting **Medhavi Skills University's** Collaborative Industry-Based (CIB) Regular Education Programs.
